

Subject: Being Single: Pros and Cons

1. Przeczytaj artykuł *Being Single: Pros and Cons* i uzupełnij tabelkę następującymi argumentami:

You sometimes have peace and quiet even if you don't want it.

It's lonely sometimes.

It's not so fun staying home alone.

There's no one to spend the money with.

You have no partner to do those things with.

You have to love yourself, because who else will?!

There's nobody constantly supporting you.

You can easily end up spending the night alone!

You have to go on many dates looking for 'the one'.

There's nobody to stop you making a complete fool of yourself!

Fact	Pro	Con
You're alone	You are free!	
	You can do anything, anytime.	
Silence	You can have peace and quiet anytime you want.	
Going out	You can have fun going out alone.	
Money	It's easier to save money.	
Conversation	There's nobody constantly nagging you.	
Sexual Freedom	You can (try to) arrange to spend the night with anyone.	
Second Opinion	You can wear, do and say anything!	
Dating	You get to go on many dates looking for 'the one'.	
Self-Love	You can learn to love yourself.
